# A Very Special Occasion

Thank you for considering Stones as the venue for your upcoming function. Stones offer panoramic views over Weston bay and with a separate, private function room available and flexible layouts, we are able to cater for those smaller, more intimate occasions or larger events for 80+ guests.

We are extremely proud of our venue and believe it is our excellent attention to detail, innovative menus and personal service that stand us out from the crowd. You will always find our staff helpful and flexible and willing to offer that little bit extra to all guests to ensure an extraordinarily successful occasion for all involved. Our function co-ordinator is on hand to offer expert advice and help with all the arrangements for your special day and our chef is happy to discuss any special variations to our menus that you may desire.

Included here are some of our most popular menus and pricing. However, we are always happy to discuss your individual event, so please do not hesitate to contact us if you have any questions. We look forward to working with you and tailoring your specific needs to create an unforgettable event for you and your guests.
