STATEMENT

After much deliberation and discussion amongst staff we have decided that, as per Government guidelines, we will open for takeaway, as previously planned, this Friday, Saturday and Sunday from 9am.

As per normal we will have all our COVID 19 safety procedures in place and ask that you:-

- sanitise your hands on entrance
- scan our QR code for NHS track & trace
- wear a face covering at all times
- follow all floor markings and instructions
- practise social distancing of at least 2m
- please note our toilets will remain closed

For the safety of everyone, and to enable us to be compliant with government guidelines for takeaway premises, when you have received your order you MUST vacate the area in the immediate vicinity of the cafe straight away. With your help and co-operation we are hopeful we will be able to safely remain open and will be reviewing our options going forward after the weekend.

We would like to thank you all for your ongoing and amazing support and look forward to continue being of service.

Stay safe and see you soon!

REMEMBER
HANDS – FACE - SPACE
